
Schoenstatt: A Little Gift of Prayer

Schoenstatt Scotland

Dear sweet Lord. My child is no longer under my roof or under my wing. He/she is now out in your world making life decisions of his/her own. I give this adult child into your hands, Lord. He/she is the apple of my eye, and my greatest treasure. Please, I beg You, guard and protect him/her. May he/she seek You with all his/her heart. I pray that You will protect him/her, guide him/her, and open his/her heart to the truth of God's Word every day. In Jesus name, Amen.
